EUROPEAN ROULETTE

European Roulette is played with a roulette with 37 sections numbered from 0 to 36, numbers which are found on the gaming table where the players place their bets.

From 1 to 36, half of the numbers are Red, the other half are Black. As for the 0, it is neither Red nor Black, it is of a neutral colour.

The winning bets are paid as follows:

PLEIN

A bet placed on one number only: 35 times the bet

CHEVAL

A bet split on two numbers: 17 times the bet

CARRÉ

A bet placed on four numbers: 8 times the bet

TRANSVERSALE PLEINE

A bet placed on three numbers: 11 times the bet

TRANSVERSALE SIMPLE

A bet placed on six numbers: 5 times the bet

COLONNE

A bet placed on the twelve numbers of the chosen column: 2 times the bet

COLONNE A CHEVAL

A bet placed on the 24 numbers of the two chosen columns: 1/2 the bet

DOUZAINE

A bet placed on the twelve numbers of the chosen dozen: twice the bet

DOUZAINE A CHEVAL

A bet placed on the 24 numbers of the chosen two dozens: 1/2 the bet

CHANCES SIMPLES

A bet played on one of these chances: RED, BLACK, EVEN, ODD, MANQUE (No. 1 to 18), PASSE (No. 19 to 36): equally

When the 0 comes up, all the bets placed on the SINGLE BETS are closed by the croupier and lose half of their value. When the 0 comes up, all the bets placed on the SINGLE BETS are closed by the Croupier and lose half of their value. The player can then choose from two solutions:

- either he can ask to share his bet, or
- he can wait for the next coup ; his bet will be freed if the chance played wins.

The client can change his chance and his bet will remain closed.

Verbal bets are not accepted.
